The objects of the Association are as follows:

FIRST: To improve the directory business by the interchange of ideas and by the exchange of competent employees.

SECOND: **To protect the public against fraudulent advertising schemes, operated under the name of directories, and to drive the promoters of such out of the business.**

THIRD: To provide permanent and continuous employment for honest and faithful directory canvassers.

FOURTH: For the mutual advancement of the established and prospective interests of all who may become members of the association.
